MISCELLANEOUS REMARKS

Mr. Jason Altobelli, 1295 Vienna Road, Niles: I wanted to clarify if that ever got changed or addressed? I talked to Tony about it and he said that they never really said anything about dumpsters.

Mr. Dull: I think that your particular problem was the dumpsters (inaudible). The intention of this one section is not to deal with those. The problems that were starting to come up were temporary trailers that retail stores would bring in for temporary storage and then they would turn into permanent fixtures (inaudible). Dumpsters, I think are going to be talked about down the road.

It was moved by Councilman Stredney, seconded by Councilman Papas to adjourn the Public Hearing.

Linda A. Yuhasz, Clerk of Council
