FOR IMMEDIATE RELEASE

April 14, 2022

### Lead and Copper Water Sampling

Please be advised that The City of Niles will be implementing the bi-annual Lead and Copper Sampling Program. The city has contracted with **120 Water** to administer the program, in reference to Ohio Environmental Protection Agency (EPA) compliance. **120 Water** is affiliated with The City of Niles and will be contacting several water customers to conduct a brief survey and collect a sample of your household water. Samples will need to be taken throughout the city to enhance the results of this testing. If you are contacted by **120 Water**, please take part in this survey to help expedite this process. Public participation is appreciated.

Any questions or concerns regarding this project can be directed to the Mayor's Office at 330-544-9000 ext. 1101, between the hours of 8:30 AM and 4:00 PM.
