This letter is to inform you that The City of Niles has contracted NECO to install new meter transmitting units and complete repairs. We require access to these devices according to Section 1157.10,d so we can properly collect reads and service your account.

Please contact NECO within the next 5 days to schedule an appointment for the upgrade.

They can be reached (toll free) at **1-800-624-6975**. Representatives are available for scheduling your appointment Monday - Friday 8 a.m. - 6 p.m. and Saturday 10 a.m. - 2 p.m.

You are also welcome to schedule online at <http://www.necowater.com/schedule/> or email appointment@necowater.com and a NECO representative will be in touch.

Failure to comply with the meter upgrade/repair project will result in disconnection of service.

Thank you for making your meter accessible so we can complete this project successfully!

Sincerely,
 Anthony Flarey
 Service Director
