### 1.1 Million Dragon Drive Sanitary Sewer Improvements Project

Please be advised that a notice to proceed has been issued for Monday, July 10, 2023, for the Dragon Drive Sanitary Sewer Improvements Project. Pollard Land Service is scheduled to begin construction as part of the citywide capital improvements program.

The project is expected to last a total of 135 days to complete, including the work for sanitary main replacement, lateral rehabilitation, cast in place pipe lining, and restoration. Please note that any inclement weather or unforeseen conditions may cause delays to this schedule. If a schedule change occurs, residents will be advised with an additional notice.

During construction, roads will be closed to thru traffic but will be open to local traffic and emergency vehicles. Extreme caution must be used when driving through the construction zone. Traffic delays should be expected. Avoid the construction zone during normal work hours, if possible.

Any questions or concerns regarding this project can be directed to the Mayor's Office at 330-544-9000 ext. 1101, between the hours of 8:30 AM and 4:00 PM.
