

Electric Meter Survey

The City of Niles has contracted with Professional Meters Inc. (PMI) to survey the existing electric meters. The company will be surveying within the Niles electrical distribution boundary for approximately the next 3 months.

ELECTRIC METER SURVEY

The City of Niles has contracted with **Professional Meters Inc. (PMI)** to survey the existing electric meters. We will be in the area for approximately the next 3 months.

- The meter is located on the outside of the home. No one will need to be present for the survey.
- The technician will need clear access to the meter. Please clear away any bushes or debris. If you have a locked gate, you can call us to schedule an appointment.

To schedule an appointment, please call
