**Niles Natural Gas Aggregation Program**

The City of Niles has entered into an agreement with Eastern Power and Gas LLC to provide a natural gas aggregation program for residents and small businesses. The city is pleased to announce an established 19-month fixed-rate of \$4.60 per Mcf for natural gas aggregation program members. This program is OPT-IN and will begin March 2026 through October 2027. Eastern Power and Gas LLC will be notifying all Niles residents and small commercial customers of the program in the coming weeks. The letter will explain the rate, terms and conditions of the offer. Eligible participants should contact Eastern Power and Gas LLC if they have any questions after receiving the letter.

Please contact the Mayor's Office at 330.544.9000 ext. 1101 with any additional questions.
