

THREE PHASE SECONDARY SERVICE-LARGE RATE "C"

Inside City Effective Date: January 2026 Billing Cycle

Outside City Effective Date: January 2026 Billing Cycle

AVAILABILITY:

Available for secondary light and power service. The billing load as hereinafter defined shall not be less than 15 KVA.

Single and three phase service will be metered and billed separately or where feasible, single and three phase service will be furnished through a single meter installation and billed as one account provided the customer arranges their wiring to facilitate the installation of a single meter.

Where a transformer installation is utilized solely to furnish service to a single customer, the Company may meter the service on the primary side of transformers, and in such case load and energy registrations shall be reduced 2%.

SERVICE:

Alternating current, 60 cycles, at nominal voltages of 120/240 or 120/208 single phase, or 120/208, 240, 480 or 277/480 three phase, as may be available for suitable facilities of adequate capacity adjacent to the premises to be served.

RATE: The net monthly charge per customer shall be:

Capacity Charge: **Inside City Rate**
 \$12.80 per KVA of billing load

Outside City Rate
 \$14.52 per KVA of billing load

Energy Charge: **Inside City Rate**
 \$0.0995 per KWH for the first 250 KWH per KVA of billing load
 \$0.0860 per KWH for all over 250 KWH per KVA of billing load
Monthly Customer Charge: \$90.00

Outside City Rate
 \$0.1184 per KWH for the first 250 KWH per KVA of billing load
 \$0.1023 per KWH for all over 250 KWH per KVA of billing load
Monthly Customer Charge: \$135.00

Fuel Cost Adjustment: Inside/Outside City Rate
 \$0.011 per KWH

BILLING LOAD IN KVA:

The measured load shall be determined monthly for the highest registration of a thermal type meter or at the option of the Light Department, from a 30 minute integrating type meter.

The billing load for the month shall be (1) the measured load for the month, adjusted where the service is metered primary, or (2) 15 KVA, whichever is the greatest.

TERMS OF PAYMENT:

The amount billed is due and payable upon receipt of the bill. Any bills not paid prior to the following month's billing date will be considered delinquent. The City of Niles reserves the right to discontinue service to any customer having delinquent bills after proper notice has been given.

CONTRACT: A written application is required.

RULES AND REGULATIONS:

Motors and equipment served under this rate schedule must have electrical characteristics so as not to interfere with service supplied to other customers of the City of Niles.

The City of Niles Light Department Rules and Regulations shall apply to the installation and use of electric service.
